Explore the Villages around Hartbridge

Many visitors come to Hartbridge to see the wonderful art galleries and museums, the beautiful buildings and the fantastic parks. Not many people go outside the city, and so they miss out on experiencing the scenery and the fascinating history of the villages around Hartbridge. This brochure will tell you what you can see if you take a short bus ride out of the city.

Camberwell

The historic village of Camberwell was once the home of the wealthy Hugo family. They lived in a huge country house, Camberwell Court, and owned all the land in the area. The family sold their house in the 1940s, and it is now open to the public. You can spend a whole day walking around the house and gardens. There is a small exhibition about the family, a children's play area, a gift shop and a restaurant. But the village of Camberwell is also worth a visit. There are some beautiful cottages with well kept gardens, and there is a small church from the eleventh century. To get to Camberwell, take Bus 46 from the Bus station. It takes about 40 minutes to get there.

Hidcot

Hidcot is an attractive village situated on the River Owell. Wildlife lovers should visit the Nature Park to the south of the village, where there are large numbers of rare birds and flowers. However, you will probably see plenty of wildlife from the bridge in the village centre! In Hidcot, you can take a two-hour river cruise - a great way to see the countryside and learn about the local wildlife from a guide. If you prefer to explore the river by yourself, you can walk one and a half miles along the river to the pub 'The Boat' which cannot be reached by road. Here, you can hire small boats and explore the river at your leisure. To get to Hidcot, take Bus 7A to Reeford. Hidcot is half way between Hartbridge and Reeford.

Tatterbridge

The beautiful village of Tatterbridge was home to the children's writer Jane Potter, whose stories of Benjamin Bear are loved by adults and children around the world. Jane Potter's home is now a museum and tea shop, and is well worth a visit just for its wonderful gardens. It also has a gift shop where you can buy souvenirs and books. Tatterbridge has a number of interesting shops including an excellent cake shop, and 'Wendy's Giftshop' where you can find lots of unusual gifts made by hand by local artists. Lovers of Jane Potter's books should also walk to the Green Valley woods, which have not changed since Jane Potter wrote her stories there one hundred years ago. To get to Tatterbridge, take Bus 4 from outside the cinema. Buses leave every two hours.

Moordale

This old industrial village is the highest village in the area. Here in the hills, coal was found in the late eighteenth century, and people came here in great numbers to take it out of the ground and transport it to the nearby towns. Many industries grew up in the area, including a paper factory and a cotton factory. The industries all closed down in the nineteenth century, and since then Moordale has gone back to being a quiet farming village. However, if you walk from the village centre up the steep hill to the north, you can still see the paths where horses carried the coal. There is a four mile walk around the village which has some amazing views, but walkers must be careful as the path is steep in places and they could slip. To get to Moordale, take Bus 7A to Reeford, and then take the number 38 bus to Moordale.
